

Wagon Wheel 2019 Information Sheet

Dear Campers,

This cover letter is meant to empower you through this weekend.

- VPR is a volunteer run organization and as a member, YOU are the volunteer!
- The board collectively organized Wagon Wheel and we need your help so that we can all enjoy the weekend AND to make it a great success.
- Have fun with your family/friends/ponies
- The board has changed a few things up for this upcoming event. The board decided to cater in both dinners so there is no need for dinner crews and allows all of us to eat and hang out to watch or participate in the arena games on Friday night and enjoy the music/dancing on Saturday night.
- Smile and ride with purpose
- The board also did away with lunches as the weekend schedule is very fluid with trail rides/cattle sorting, some people like to eat earlier than others and some may still be sorting cattle. So bring some food for your group to have for lunches on Sat and Sun. The grills will be ready for your use if you'd like to cook on them.
- Be kind to one another.
- Before asking questions, please read all the papers that we have emailed to you and/or posted at the clubhouse/FB and website.
- Did anyone mention to have tons of fun this weekend?
- If you think that something should be done, we encourage you to take the initiative to get it done.
- Offer to help your neighbor
- If you think that campers need a reminder, please make an announcement on the loudspeakers
- If trash needs to be emptied, please collect it and take it to the dumpster.
- Smile and greet each other, share a joke, offer to take a photo.
- The schedule is tentative and there is "NO ONE" in particular that is in charge, so we encourage you to take charge and help out in anyway that you can so Wagon Wheel will be a successful event that all of us can be proud of participating in.
- Have more fun and laugh!

Here is a current list of job assignments of board/members for Wagon Wheel 2019

Russ Fichtelman - supervisor at large
